

PRO HEADSHOTS

You've Reserved Your Headshot! Here's What to Expect.

We're excited to help you look confident, approachable, and camera-ready with a professional headshot you'll be proud to use.

To help you feel confident and camera-ready, we encourage you to browse online for a few professional headshots or poses that you like prior to your appointment. Practicing poses and expressions at home can make a big difference in helping you feel relaxed in front of the camera.

Feel free to bring printed examples or save them on your phone for inspiration during your session, and we will do our best to help bring your vision to life.

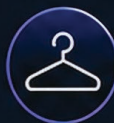

**GREAT PREPARATION.
CONFIDENT YOU.
POWERFUL FIRST IMPRESSION.**
