new & transfer agent onboarding process

NEW & TRANSFER AGENT ONBOARDING PROCESS

Samson Properties License
Affiliation Request

Step 1: Decided to Join Samson!

After attending a Lunch & Learn or viewing a recorded version on joinsamson.com, please fill out this initial Licensing onboarding questionnaire to gather your correct information.

Step 2: Licensing Team & Paperwork

With the answers provided from your questionnaire, our Licensing Team will email you a transfer packet for your digital signature. Upon completion of this packet, you will receive your official Samson Properties welcome email from Donny with login credentials for all Samson systems and further licensing instructions.

Step 3: Transferring Existing Business (transfer agents)

We know that business doesn't stop just to allow for your transfer - nor would you want it to! We'll make the transfer process seamless for your existing business. Everyone's transfer situation is different, but generally speaking all clients who are not actively under contract will make the transfer with you to Samson Properties. We will provide you with transfer addenda (as necessary), guide you through the process, and help you keep your focus where it belongs - on your current and future clients!

Step 4: Agent Experience Specialist

After receiving your welcome email, you will be contacted by your local Agent Experience Specialist. Your Agent Experience Specialist will act as your primary point of contact as you begin your journey with Samson Properties, providing guidance and answers during (and after!) your transfer process.

Step 5: Checklist & Orientation

You will be provided with a New Agent Checklist & a list of upcoming New Agent Orientations - both are integral to your continued success with Samson! Your New Agent Checklist will outline the important steps/tasks to accomplish in your first weeks as a new agent. You will be **required** to attend a New Agent Orientation (either in person or virtually) before we can issue any commissions. The Orientation will give you an overview of Samson resources while providing valuable information on Samson procedures and systems.

Step 6: Choosing a Mentor (new agents)

All new agents (or those not meeting minimum requirements) will be required to work with a Samson Properties Mentor for their first few transactions. Your Mentor will guide you through the process of working with clients, preparing transaction paperwork, and acting as a professional real estate agent. Information on the Mentor Program and Mentor selection will be provided to you on your checklist and at New Agent Orientation.

Step 7: You're on Your Way!

At this point, you will have completed all paperwork, attended a New Agent Orientation, chosen your Mentor, and are well on your way to achieving great success in the real estate industry! Your Mentor and Agent Experience Specialist are here for you every step of the way if you have questions. Additionally, you will have access to the powerful Cardinal Nest and Samson University to continuously keep yourself educated and empowered. Always remember our two most important company rules: Be Nice & Be Professional!
